- Student Body President, Liberty University, 2004-2005
- Conference and ministry speaker
- Author and theological editor

TEACHING PHILOSOPHY

My approach to Christian higher education combines biblical fidelity, academic scholarship, practical application, and meaningful student engagement. I believe effective online education requires clear expectations, substantive feedback, academic rigor, and personal presence from the instructor. My goal is to help students think carefully, communicate clearly, engage scholarly sources responsibly, and apply what they learn to ministry and professional settings.

ONLINE TEACHING STRENGTHS

- More than a decade of experience in Christian higher education
- Extensive online teaching experience
- Undergraduate and seminary-level instruction
- Graduate academic writing support
- Detailed student assessment and written feedback
- Biblical, theological, leadership, and ministry education
